Flock Safety Q&A Sessions

A message from Flock Safety:

We understand that in this era of unprecedented misinformation, you are hearing many claims about Flock Safety. The recent headlines about our company are largely a result of this environment. The best way for us to clear up these misconceptions and address your concerns is to speak to you directly.

Garrett Langley, Flock's Founder and CEO, is hosting a series of 30-minute, small-group Q&A sessions with himself and other Flock senior executives, specifically for California agencies. These will be candid conversations with chiefs and administrators. No marketing. No spin. Just a clear walkthrough of "headline vs. fact," followed by open discussion, with no question out-of-bounds.

What to expect

- 5–10 minute “Headlines vs. Facts” overview from Flock leadership
- Live Q&A / discussion for the remainder of the session
- Small groups (about 10–20 CA agency leaders per session) so everyone can engage

Who’s invited

- Chiefs, command staff, and administrators from CA Flock agencies
- If helpful, please forward this invite to your City Council members, Mayor, City Manager, or other local officials who want to hear the facts directly from us.
    - To keep these sessions focused on government partners, we’re asking that attendees register with a .gov / agency email address

How to join

- Please choose a time that works for you here: Book a time
- If none of the times fit, email chris.colwell@flocksafety.com and we’ll find another option
